

## ACCELERATING CAREER SUCCESS FOR EMERGING TALENT

**Do you want support to successfully navigate the dynamic world of work and reach high levels of performance and career advancement?**

### The NimblyWise program provides you with:

- Tools, guidance and new perspectives to better adjust to the expectations that the world of work brings
- Opportunities to identify blind spots, growth opportunities and to proactively develop new skills
- An external corporate coach to provide outside, unbiased support to work through challenges
- Support to own career development
- Guidance to maximize the talent development resources your company has already invested in
- More effective communication strategies
- Strategies to effectively seek and accept feedback
- Skills to strengthen relationships with managers

### About Our Program

This 6-month program begins where initial employee onboarding typically ends. Feeling confident, showing vulnerabilities, and navigating the complex nature of work is challenging! Managers are busy juggling multiple priorities and HR resources are spread thin. This makes it hard to unlock your full potential and grow into the successful professional you want to be.

That's where NimblyWise comes in!

### WHAT'S INCLUDED?

#### Self Assessment

Identify your baseline strengths and opportunities for development

#### Personalized Coaching

8 sessions using the real-time learning framework to work through challenges and promote professional development

#### Group Workshops

1-hour virtual workshops facilitated by experienced professionals

#### E-Learning

Access to learning modules for direct instruction of soft skills and reflection activities

#### Certification

Real-time Learning Certification issued upon program completion

*"I had a great experience working with my coach. I learned a lot about myself and used this experience to better myself at work. Real-time learning can be applied to all aspects of your life in a positive way." -Participant*
